

Adding a Forum to your Moodle Course...

- Login to Moodle and navigate to your course
- Click the “Turn editing on” button in the top right corner of the window 
- Go to the topic/week to which you want to add a forum, click the “Add an activity...” drop down menu and select *Forum* from the list

- Fill out the Forum settings and click the appropriate Save button at the bottom of the page

Note: for more information about a specific setting, click the question mark next to the setting
