

Create an O.zone mymoodle Account...

- On your browser, go to <http://moodle.r5ozone.org>
- Click the *Create new account* link in the Login block on the right side of the window (below the Login button)
- Fill in the required information as follows...

Login

Username

Password

Login

Create new account

Lost password?

Username: *first initial last name (ex. Janis Joplin = jjoplin)*

Password: create a password you will remember

Email address: enter your real email address and then retype it (*Note: a working email address is required for registration in mymoodle*)

First name, Last name, City/town, Country: fill in the appropriate information

Choose your username and password

Username*

Password* Unmask

More details

Email address*

Email (again)*

First name*

Last name*

City/town*

Country*

- Click the *Create my new account* button
- **Your Registration is Not Complete!** You will get a message that tells you to check your email to complete registration...

An email should have been sent to your address at **jjoplin13@gmail.com**

It contains easy instructions to complete your registration.

If you continue to have difficulty, contact the site administrator.

- Check your email. Open the Account Confirmation email sent to you from Moodle Admin and click the Confirmation link. Your browser will open, take you to O.zone, and your registration is complete.

To confirm your new account, please go to this web address:

<http://moodle.r5ozone.org/login/confirm.php?data=tk61PbpvOLqbV1a/jjoplin>

Thanks, Janis Joplin

Your registration has been confirmed

Note: You only have to complete this process once!
